

PART / FULL TIME TEACHER | INFORMATION & COMMUNICATIONS TECHNOLOGY TEACHER

Ibn Rushd National Academy is a pioneering educational research centre, and an IB continuum world school, offering the IB Primary Years, Middle Years, and Diploma programmes.

The Academy offers an international-minded programme within a bilingual teaching environment.

The Academy seeks an enthusiastic, **ICT teacher**, with a desire to educate our young scholars, the potential to develop, and the talent to deliver, high quality and engaging learning.

To thrive in this role, successful candidates need to be highly motivated and committed, love variety, work independently and under pressure, prioritise, communicate well and be super organised, even when you're working from home!

Successful candidates would need to be familiar with several programming languages, web design, and app development.

The potential candidate will have an open mind, positive attitude, and willingness to experiment and learn, along with a great sense of humour !

You will need:

- a university degree
- desire to make a real difference, and to have some fun along the way !
- strong interpersonal skills, and the ability to work with a high degree of accuracy
- ability to work with young children
- fluency in both Arabic and English

The diversity of this role means you would be involved in many aspects of the organisation, and would be a key part of a focused team.

If you think you have what it takes, please apply, including a one page cover letter telling us why you would be perfect for the job!
